

# *Protocols for Visiting Residents at the* **Adrian Dominican Sisters Motherhouse**

Beginning **July 6, 2021**, we are happy to welcome family and friends for in-person visits with resident Sisters at the Adrian Dominican Motherhouse campus. To be sure this is a pleasant and safe experience for all, we continue to follow guidelines established for congregate care facilities by the Lenawee County Health Department and the Centers for Disease Control. We also have established these protocols to make sure our campus community is safe and healthy while we continue to live in this pandemic.

## **Safety Requirements**

- We strongly encourage only fully vaccinated visitors.
- When you arrive, you will have your temperature taken and questioned about COVID-19 symptoms and exposure.
- Please do not visit if you are not feeling 100% well.
- Visitors going to Maria and Regina need to enter the DLC main entrance for screening and signing in and out.
- Visitors going to Weber Center and Ratisbon need to enter the Weber Center main entrance for screening and signing in and out.
- Wear a mask at all times in common areas and sanitize your hands regularly. If everyone in a room is fully vaccinated, masks may be removed.
- Remain in the building of the visit unless you are visiting outside.
- If the Sister is able, you may visit outside.

## **Make an Appointment**

- All visitors must make an appointment to visit campus residents. Family is given first preference for appointments. This allows us to manage the number of visitors in the building at a given time and enable contact tracing, if needed.
- To schedule a visit with a Sister living in the Maria or Regina buildings of the Dominican Life Center, call the DLC Receptionist at 517-266-3600 to make an appointment.
- To schedule a visit with a Sister living in Weber Center or Ratisbon, call the Weber Receptionist at 517-266-4000.

## **Visiting Hours**

Daily  
9:30 a.m. - 11:30 a.m.  
1:30 p.m. - 4:30 p.m.  
6:30 p.m. - 7:30 p.m.

## **Capacity Limits**

To maintain a healthy and safe environment, a limited number of visitors are allowed in each building of the DLC. Sister residents may have up to two visitors at a time per day, and up to 10 off-campus Sisters may visit each building per day. In order to accommodate all of our resident Sisters, please refrain from scheduling recurring visits.

## **Meals**

At the present time, we cannot accommodate meals for visitors on campus. If visitors would like to bring food in, meals may be shared in the resident's room/apartment.

## **Accommodations**

While we do not encourage overnight visits, if a visitor coming from a distance needs overnight accommodations, they may stay at Weber Center. Contact the Weber Center Desk at 517-266-4000 to book a room. If visiting a resident living in Regina or Ratisbon, guests may stay with her.

***Thank you and enjoy your visits!***
